Foreword

With the fading of summer into fall we witness the abandoning of summer activities to once again enter the challenging doors of learning. The bewildered and somewhat frightened freshmen, the eager sophomores, the confident juniors, and the proud but somewhat sad faces of the seniors flood the halls to uphold and respect the loyalty of our alma mater, Smithfield High.

The faces of Smithfield are many and varied, but they reflect you, the student body. Yesterday a happy face, today saddened, tomorrow a tearful but eager face meets the world with meek anticipations.

Dedication

During our high school years, we have needed assistance, guidance, and encouragement to inspire our attitudes and thoughts. Such intangible gifts have been bestowed upon many students by our dedicated Latin teacher. He has always been eager to help his students become masters of that Romance language. The basketball games have always had his sincere support.

To Mr. Clarence Woodard who has given his patient service to Smithfield High School and the people within, we dedicate the 1967 SHIELD.

*ADMINISTRATION
AND DEPARTMENTS*

Congratulations to the annual staff and sponsor for your efforts in putting together this picture and word story of our school year here at Smithfield High School. Our students enjoy the heritage of scholarship, high ideals, and service which this school has achieved for many years.

It is extremely important that all of us, who are a part of this tradition, take advantage of each opportunity to improve in academic, social, moral and physical stature.

Your school and your community expects your best! Let us, as students, faculty, and parents, make an even better school and community.

Mrs. Tarlton still gives both her time and effort for the improvement of Smithfield High School.

Get this right, Jack, "Two ham and cheese sandwiches, potato chips, three Baby Ruth's, and a drink.

Around the office of Smithfield High School revolve the daily activities of the school. Mrs. Tarlton and Mrs. Weaver are mainly responsible for the work that is done. Everyday these ladies work diligently checking attendance reports, bus reports, and typing various school data. Without the efficiency and tact of our secretaries, S.H.S. would not be the same place. A hardy note of thanks goes to Mrs. Weaver and Mrs. Tarlton.

English, the basis of our education, covers a wide range of subjects. Freshmen explore the world of Dickens through Great Expectations. Sophomores study Shakespeare's Julius Caesar, while juniors trace American literature from the historical writings of Benjamin Franklin to the contemporary poetry of Carl Sandburg. Seniors read such important works as Beowulf, Chaucer's Canterbury Tales, and Macbeth. Grammar is emphasized in all four years. Included in the English curriculum is an elective course in speech.

Math

Theorems, slide rules, axioms, these are the by-words of the math students. Realizing the importance of mathematics, pupils apply themselves to serious investigation in advanced courses. The Math Department of SHS, seeking to explain the magic of numbers, offers General Math, Business Arithmetic, Algebra I and II, Geometry, and Advanced Math.

Chemistry and Physical Science

Science helps us to understand the world around us. Our science dept. endeavors to help its students find their places in the living, growing, and changing world; to understand and appreciate the interdependence of plant and animal life, to understand and appreciate man's total dependence of Mother Nature, and to help the students find their relationship to the Creator. In doing so, it is hoped that each student will find his proper place in life. Physical Science, Chemistry, Biology, and General Science are included in our program. College preparatory biology was another addition to our curriculum this year.

Students prepare for an experiment as Mr. Payne explains the procedure.

Our Social Studies department functions with the ultimate purpose of teaching its students to understand the problems of the past in order to prepare them for the future. Well-qualified teachers help us to understand national and international problems. U.S. History for seniors and world history for sophomores and juniors is offered via WUNC-TV from Chapel Hill.

Physical Education and Health

When do we take off?

Students in their Freshman year of High School really learn what it means to be physically fit. They do calisthenic and learn how to play numerous games. We are fortunate to have Mrs. Price added to our faculty as the girls gym director. She has done much to improve this course and has added several intramural games. In health, they learn how to build up their physical well-being. As Coach Brown says, A healthy body is a good vehicle for an active mind.

Industrial Cooperative Training Mechanical Drawing and Construction Industry

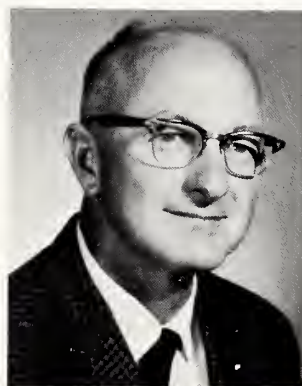

I. C. T. is a cooperative effort by the school, business, and industry to provide youth with training in areas of their choice. Students are provided by these courses with experiences to enable them to acquire skills and technical information. They learn how to work and develop good work habits and attitudes. These programs help the students to build up self-confidence and make them conscientious citizens in the community. The three teachers in the job training field are Mr. John Massey, Mr. Bill Howell, and Mr. Oliver Williamson.

Typing

Here at S.H.S. we have many courses which prepare students for jobs after graduation. In the D.E. department students are told about all the business ethics, and how to be a good salesman. After the classroom training, they go out and have on-the-job training. This gives them the experience which they need in life.

The sounds of ringing bells and the tapping of keys can be heard coming from this department nearly all day. Here sophomores and juniors learn the magic art of pressing keys and producing a flawless paper. Mrs. Creech also has classes of shorthand which follow right along with typing in preparing girls for secretarial jobs.

Now, be sure to get your figures right.

What is it -- a sewing machine?

The joy of preparing a meal without burning it is one of the few things a girl learns to do while taking Home Ec. It is concerned with all aspects of family life. Home Ec. also includes construction and care of clothing and home management. This year S.H.S. has added a third year of Home Ec. to provide the girls with the knowledge of the little things that make life more enjoyable.

Music is the art of the prophets, the only art that can calm the agitations of the soul; it is one of the most magnificent and delightful presents God has given us."

Music

If sounds are any indication of activity, there is always "something going" in our music department. From the melodic tones of chorus rehearsal to the clanging of symbols from the bandroom, there is always something to listen to. And this is, of course, the purpose of these departments -- to make students capable of commanding the attention of the world's ear.

Art

Members of Mrs. Adams' art class are given an opportunity to express themselves through sketching, bulletin, boards, and various art contests in our town. In addition to basic drawing skills, the students develop an appreciation for the paintings of Titian, Leonardo De Vinci, Raphael, Picasso, and many others.

Guidance

Guidance is the process of helping persons make the best possible decisions about their lives, and aiding them in solving their problems. Educational and vocational guidance are offered in our guidance room -- the key to the future of Smithfield students. It provides students with extensive files containing vocations and college information. With much concern for the future of every student, Mrs. Hornaday is always ready to advise and answer questions.

Who's Who

The honor of Who's Who is given to outstanding seniors for their participation and leadership during their years in Smithfield High School. Their contributions to the school's activities lie in the various fields of academics, music, athletics, art, and other extracurricular activities. They are chosen not for excelling in one of these fields but for their well-rounded personalities.

CHIP BARNES

During his sophomore and junior years, Chip participated in junior varsity football and varsity football and track. He was vice-president of the Science Club and president of the Fine Arts Club. Due to the efforts of Chip, as head chairman, and others the '66 Junior-Senior Prom was a success. Chip's outstanding qualities earned for him a nomination to the Governor's School. He was on the Student Council in 1965-1966. Admired by his classmates, he was elected president of his junior class. And last, but of course not least, Chip was the editor-in-chief of this yearbook.

KATHY BATTEN

A love for sports and a determination to succeed earned for Kathy a place on the junior varsity basketball team last year and a prominent place on the varsity team this year. She was a member of the Variety Club during her freshman and sophomore years. This club gave chapel programs for the school. She was not only a success in sports, but also in academic ability. She served as a commencement marshal in the 1966 graduation exercises. Meriting the respect of fellow classmates, Kathy served well as chairman of the 1966 Homecoming Dance. She was a member of the Student Council during her junior year and has been on the "High Times" staff for the past two years.

The abilities of Justine Blow are never ending. Being full of energy, she has participated outstandingly in every phase of high school activity. She has been a leader throughout her high school career. In the Variety Club, she served as president as a freshman and program chairman as a sophomore. Most of us cannot imagine the amount of labor and time Justine spent as chairman of the Junior-Senior refreshment committee. Academically outstanding, Justine led her class last year; thus, she served as chief marshal at the 1966 commencement. She was on the Student Council and served as class treasurer last year. Justine was on the 1966 homecoming court. As a cheerleader last year and chief cheerleader this year, she has worked hard to encourage school spirit. Dramatically inclined too, she played the role of Anne in "Anne of Green Gables" presented in 1966. Justine, as assistant editor, aided Chip and the other staff members in publishing this yearbook.

JUSTINE BLOW

GAIL EVANS

Vivacious Gail Evans has helped to cheer our teams along the way as a cheerleader for the past two years. She was a Glee Club member as a freshman and in the Variety Club as a freshman and a sophomore. The preparation of the '66 Homecoming Dance would have been impossible without such willing workers as Gail. Not only vivacious, but also dramatic, Gail was a cast member of the Junior-Senior play, "Anne of Green Gables." Vivacious, dramatic Gail is also fashionable and charming. This year she was assistant fashion editor of the "High Times," and she was on the Homecoming Court. Gail rated the highest of the senior girls on the Betty Crocker Test; therefore, she was named Betty Crocker' Homemaker of the year from our school. She was a winner in the 1966 World Peace Essay Contest. With these many activities, Gail has maintained a high academic average.

TIM DAUGHTRY

Very musically talented, Tim has excelled in band. He plays the French horn and is the drum major of the Smithfield High School Band. The Band Club, of which he was a member as a freshman and a sophomore, stimulated his love for music. Tim played in the All State Band during the past three years and in the Tri-County Band during his sophomore year. Smithfield High School was proud to be represented by Tim at the Governor's School last summer. Tim is one of superior speakers in our speech class. He was the winner of the district VFW Democracy Speech Contest.

Nancy sang and served as accompanist in Glee Club her freshman year. She was a member of the Variety Club for two years, serving as secretary during the last year. Many of Nancy's classmates admired her genuine character and self-motivation; for these reasons, she was appointed co-chairman of the Junior-Senior entertainment committee and the homecoming refreshment committee. Many a player has been encouraged by the earnest yells of Nancy and the other cheerleaders during the past two years. Excelling academically, she served as a commencement marshal in the 1966 graduation and attended Girls' State that summer. People say that brains and beauty aren't found in one person; however, this is not true of Nancy. She was on this year's Homecoming Court.

NANCY JOHNSON

ANN JONES

Ann was a member of the Variety Club for two years. As co-chairman of the Junior-Senior Prom decorating committee, she spent many tiring hours creating the realistic showboat and background in order to support the effect of an evening on the Mississippi River. She did an equally superb job of decorating the gym as a fall park for this year's Homecoming Dance. Near the top of her class, she served as a commencement marshal in 1966. Ann is an intelligent leader and organizer. She has been on the "High Times" staff for two years and is the 1966 editor-in-chief. Talented Ann was an actress in "Anne of Green Gables," the Junior-Senior play. Ann cheered for the Red Devils as a cheerleader her junior and senior years. She was also on the Homecoming Court.

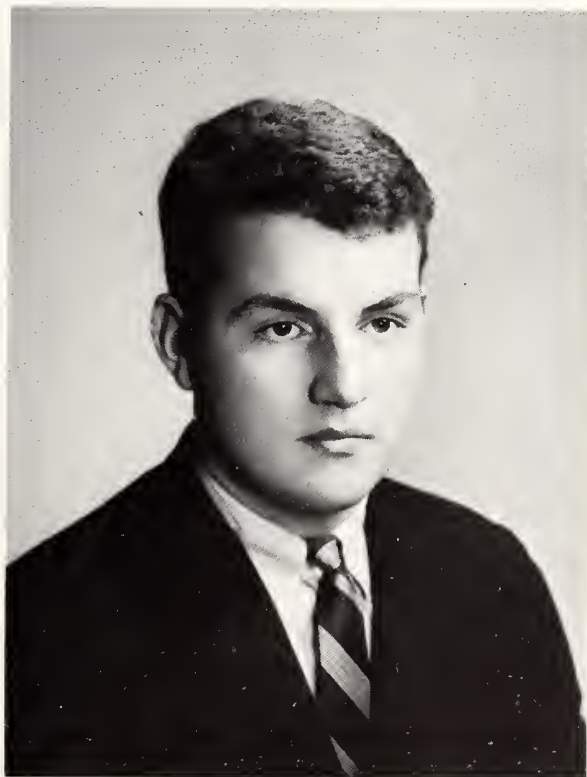

GLORIA LITTLE

Gloria put to use her exceptional talent as a pianist by accompanying the Glee Club for three years. She has also played for many other school functions, such as for the '66 Junior-Senior Prom program, of which she was a co-chairman, and chapel programs given by the Variety Club her freshman and sophomore year. She has received superior piano ratings for the past five years. She was an actress in the Junior-Senior play, "Anne of Green Gables." As a member of the "Shield" staff, she strived diligently to help complete the pages of this book. Extracurricular activities did not result in the neglect of her studies. She was a commencement marshal in 1966.

Joe is one of the seniors by whom many underclassmen have patterned their lives. He played J.V. football for one year. He was a member of the Science Club and president of the Journalism Club. Realizing his trustiness, he was chosen as co-chairman of the Junior-Senior table and chairs committee. His classmates respected his competence; therefore, elected him as vice-president of the '65-'66 junior class. Outstanding grades merited for him one of the commencement marshals last year. Joe was honored by nomination for the Morehead Scholarship. Although we may overlook the importance of Joe's job as lighting director of "Anne of Green Gables," this did contribute much to the success of the play. Joe Morgan has been active in the band for four years and president of the band this year.

JOE MORGAN

CARLTON OVERBY

Carlton is a very outstanding athlete. He played football for four years and was tri-captain of the varsity football team this year. His basketball skill, increasing over a period of four years of high school playing, merited for him a place of leadership in the team -- tri-captain. Carlton played baseball all four years of high school. He was in the Wildlife Club and the Monogram Club. Influence among his classmates caused him to be chosen chairman of the Junior-Senior building committee.

DAVID REID

Our school was happy to receive David Reid as a transfer student from Cary High School this year. David has shown outstanding athletic and academic abilities. He played varsity basketball and golf this year. He received the honors of nomination for a Morehead Scholarship and was ranked as a finalist on the National Merit Test.

Glenda loves sports and has played varsity basketball for the Red Devils, as a junior and senior, with determination and good sportsmanship. She was co-captain of the varsity team this year. Glenda was in the Journalism Club for two years. As a competent worker, she served on the 1966 Junior-Senior Prom committee and the 1966 Homecoming Dance committee. Academically, she has excelled and was a marshal at the 1966 graduation. Glenda was on the Student Council last year. The 1966 football team chose Glenda as one of the candidates for Homecoming Queen. She proved to be such an asset to the publication of the '65-'66 "Shield" that she was chosen activities editor of this edition. Many hours of practice were pre-requisite for Glenda and other cast members for the production of "Anne of Green Gables." She has also been a library assistant.

GLEND A SULLIVAN

DAVID WHITEHURST

Practice and perseverance made David one of Smithfield's star athletes. He played football all four years of high school and was tri-captain of the varsity team in 1966. David was on the track team in 1966 and 1967. He played basketball throughout high school and was tri-captain of the varsity team this year. As one of the hard-working committee members, he helped to make the 1966 Junior-Senior Prom and the 1966 Homecoming Dance a success.

HEATH YARBOROUGH

Heath was on the 1965 J.V. football team and the 1966 varsity football team. He was on the golf team for three years. Serving as secretary, he was a member of the Science Club as a freshman and a member of the Wildlife Club as a sophomore. Heath was on the Junior-Senior planning committee and the Homecoming planning committee in 1966. Outstanding academically, he was a 1966 commencement marshal and on the Student Council. Interested in the well-being of the youth of Smithfield, Heath is chairman of the Youth Council of Civic Affairs. In addition, he helped to publish this yearbook.

SYLVIA WHITLEY

Sylvia Whitley's leadership and personality have added much to Smithfield High School's activities and organizations. During her first two years, Sylvia was a member of the Variety Club of which she was elected vice-president during her sophomore year. Her ambitious attitude endeavored her to become a magazine sales winner during her second year in high school. Sincerely respected by her classmates, Sylvia was elected as secretary of her junior class. These superior qualities influenced her classmates to also elect her as a member of the Student Council. Her efforts to promote a good Junior-Senior as co-chairman of the decorating committee contributed to the prom's merriment. As a senior, Sylvia spent many hours, as refreshment committee co-chairman, planning for the large number of students who were expected to celebrate SHS's homecoming. Because of her high academic class rank, she served as commencement marshal in the 1966 graduating exercises. Sylvia was a member of the Glee Club during all of her high school years and served in various offices. As a junior and senior she worked on the "High Times" staff, serving as news editor during her senior year. Also during her senior year, she assisted in the publication of the "Shield."

ACTIVITIES

These Southern gentlemen livened up the program with "Dixie" and "Carolina in the Morning".

One of the features of the Junior-Senior program was the presentation of Who's Who.

"Showboat"*

(Above) Jane Holt captures the hearts and minds of all as she sings "Summertime".

These girls brought the audience the true spirit of the "Showboat".

"You shouldn't have twitted her about her looks. Nobody likes to be told that they're homely," Marilla (Carol Parrish) retorts to Rachel's (Ann Jones) rude remarks to Anne.

Dick seemed to enjoy his newfound stardom.

"Don't you dare speak that way to Anne," Diane Barry (Janice Lee) says angrily to Josie Pye (Lou Powell).

Junior-Senior Play

In the spring of 1966, the classes of '66 and '67, under the direction of Mrs. Joyce Jones, presented "Anne of Green Gables" as the annual junior-senior play.

Based on the novel by L. M. Montgomery, it was a light comedy about a young girl with a wild imagination. The play ends happily as she achieves her fondest ambitions, a white dress and a boyfriend.

Anne Shirley, the heroine, was portrayed by Justine Blow.

"Anne of Green Gables"

Katherine Jolliff, student director, held the show together from backstage.

The members of the Smithfield Glee Club spend three hours of each week practicing music, learning more about musical terms and instruments, and seeing films about the world's great composers. Our school has been proud of the superior ratings received by the Glee Club at the annual contest held in Durham. Besides singing in this contest, the chorus gives a Christmas and a spring concert. The 1966 Christmas concert was very seasonal and impressive with the members wearing white robes and carrying candles in a processional. This concert was broadcasted over WMPM radio on Christmas Day. Various members have sung at the meetings of the Hunter Johnson Junior Music Club this year.

Band

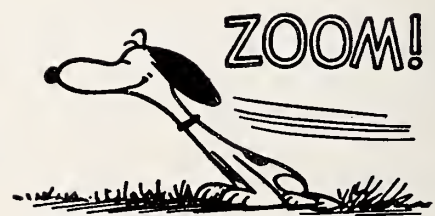

The '66-'67 Smithfield band has been active with various performances in chapel programs, at ballgames, and at concerts. During the Christmas season, they performed in the Smithfield parade and traveled to other towns to brighten the spirits. The pep band provided half-time entertainment at the basketball games. Another individual group of band members, the dance band, has played at social functions throughout the area. Band is another important part of our school's curriculum which broadens the student's knowledge in the arts.

Bus Drivers

The importance of our bus drivers should not be neglected. They have to be responsible, intelligent, cautious, and mature. The bus driver is responsible for the safe arrival and departure of his passengers to and from school. He must also turn in various reports to the office which must be accurate.

It is the responsibility of the annual staff to observe and record the events of the year. Of course, it would have been impossible to cover all of the many views of the school--as many views in fact as there are students. In this regard, it is hoped that the 1967 SHIELD captures enough of the manifold aspects of high school life at Smithfield so that no view is completely neglected.

This book has focused on students as individuals and as groups in an effort to summarize and symbolize the hopes, the anxieties, and the moments of happiness that were so common to all students during the school year. Furthermore, we have striven to create a future remembrance of the year, which will serve as the mark of the staff's success or failure.

We hope that if this book accomplishes any one thing, it at least will stir within every member of high school at some time in the future a vivid, if fleeting recollection of this year at Smithfield High School.

This year has been somewhat less than spectacular in the way of inter-scholastic athletics. Our gridders ended the season mired deep in the second division. Both basketball teams finished with unspectacular records.

Rejoice! Through this gloom came a brilliantly glowing light. Our cheerleaders were tops in the conference, and tops anywhere for that matter. They mixed the ingredients of beauty, spirit, and sportsmanship with a desire to excel to make phenomenal school representatives.

Pigskin Review

The story of the 1966 Red Devil football season is one of dismay. For several years Cary and Garner ruled the conference with Smithfield placing third. Cary and Garner moved up to a AAA conference; and therefore, Smithfield was billed as a title contender. However, a combination of inexperience at several positions, bad breaks, and several crippling injuries led to a disastrous gridiron campaign. Clayton and Fuquay emerged as "cinderella" teams and ruled the conference along with Benson. Perhaps the brightest moment of the season was the Fuquay game. Fuquay, at this time, was undefeated. Midway in the fourth quarter the game was a scoreless tie. Then a costly penalty was called on Smithfield, and Fuquay moved in for the game's only score. Smithfield outplayed Fuquay and won the game of statistics, but Fuquay won another game--the game of breaks, the game of chance, the game which proved to be decisive.

Bill Jackson, one of Smithfield's most determined players all year, churns out yardage in the Homecoming game with Benson.

(BELOW) Coach Roy Brown confers with Devil tri-captains (David Whitehurst, Carlton Overby, and Hunter Olive) at a pre-season practice session.

All-Conference Selections

Carlton Overby and Hunter Olive were named to the CAC All-Conference squad. Overby, a brilliant running back in '65, starred as a defensive back in '66. He received an added distinction by being named Honorable Mention All-East.

Hunter, Smithfield's own "Paul Bunyan," steadily turned in rugged performances for the Devils this year. On offense Hunter opened up numerous holes, and on defense he was an immovable obstacle.

(ABOVE) This Benson ball carrier is presently being "sandwiched" by the crunching tackle of "Possum" Overby and Carl Wharton.

Devils In Action

Bets are now being taken on this Benson ball carrier's chances of getting further yardage. What are his chances? 10-1, 100-1, 1000-1? This is one of our brighter moments in our Homecoming loss.

Carlton Overby finds a hole in the Selma line and plows through for a long gain against our arch-rivals.

Hunter Olive and an unidentified Smithfield player knock heads as they aim for a Benson player's shoelaces. Mark Moye (30) holds on to runner's foot for dear life.

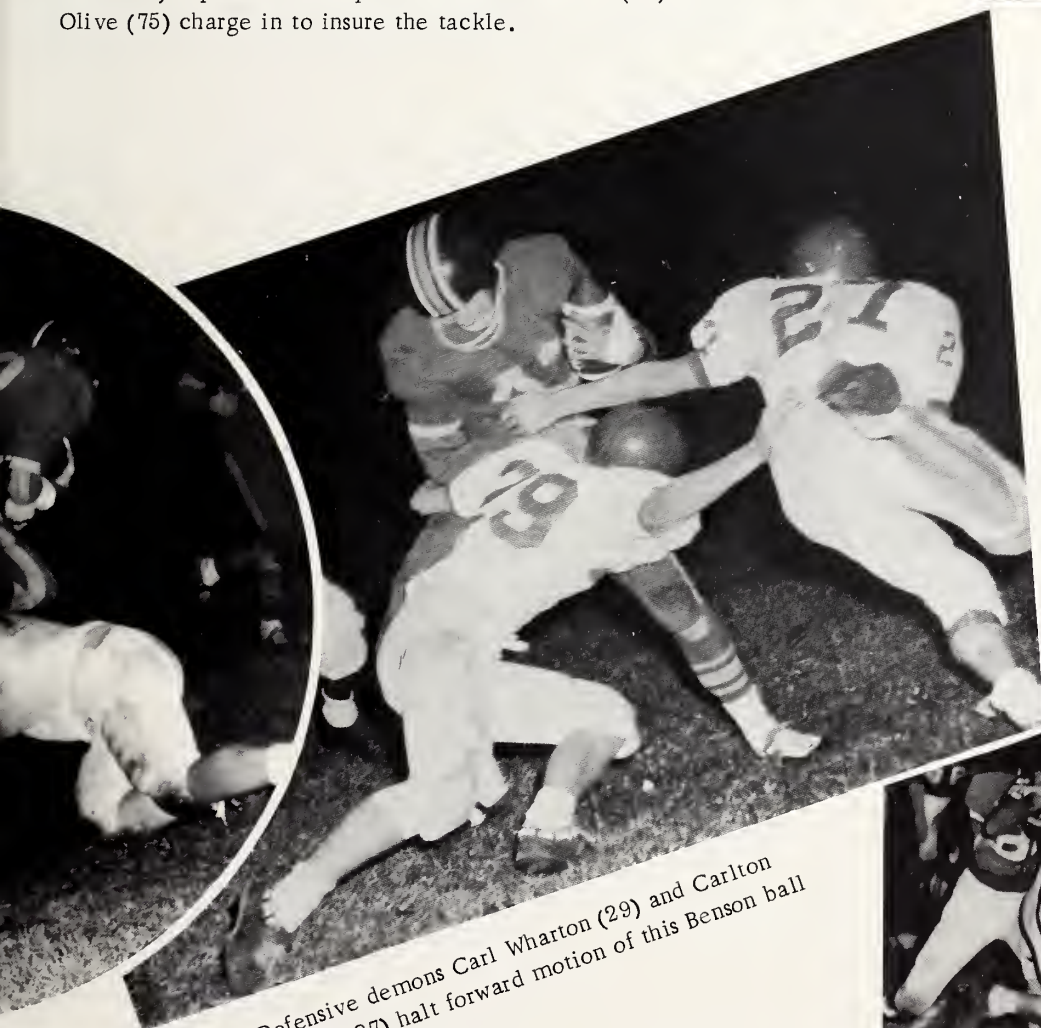

Mark Moya spears Benson speedster as Bill Jackson (44) and Hunter Olive (75) charge in to insure the tackle.

Rugged Defense— In The Red Devil Tradition

Bobby Benson (24) assaults Selma's back in a bone-jarring fashion.

Defensive demons Carl Wharton (29) and Carlton Overby (27) halt forward motion of this Benson ball carrier.

Alex Wilson (partially hidden) holds on to Selma's fullback as Bill Jackson lowers his head for the kill.

J.V. Football

The 1966 Little Red Devils started the season lean in size, experience, and depth. In the early games against AAA clubs, these deficiencies were clearly seen; but, the Little Devils weighed the value of "determination" and improved on last year's record. They finished with a surprising, if only mediocre, 3-4 record. All four losses were to AAA teams. The team featured a potent aerial attack behind the arm of Barry Foote and the sure hands of his favorite receivers--Craig Ennis, Stephen Woodard, and Ronnie Hopkins. Joe Parrish played excellent defensive ball for the Little Devils. The varsity team loses 14 players by graduation; this year's junior varsity will provide several able replacements.

Barry Foote (36) directs action in the backfield.

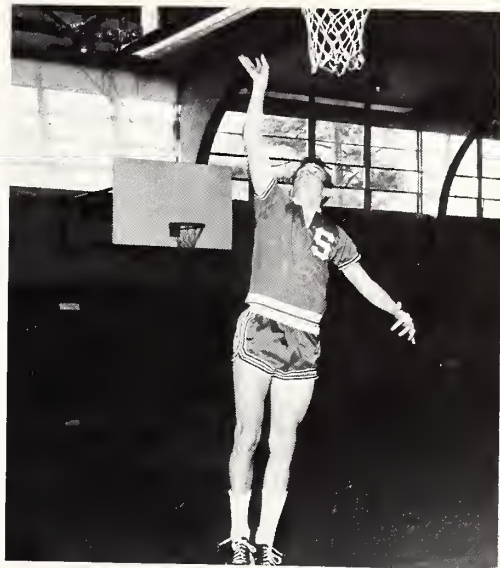

FIRST ROW: Andy Johnson, Craig Ennis, Mac David Overby, Eddie Rabil, Howard Peedin, Edward Stephenson, Sam Smith. SECOND ROW: Bob Forbes, Bill Teague, Richard Holt, Jim Godwin, Gordon Blow, Joe Parrish, Jim Wilson. THIRD ROW: Eddie Murphy, Sammy Byrd, Steve Woodard, Barry Foote, Hubie Talton, Danny Narron, Johnny Bullock.

KNEELING: Steve Stephenson, Coach Bobby Pope, David Whitehurst. STANDING: Joe Austin, Dwight Gay, David Reid, Alex Wilson, Jack Lancaster, Steve Bryant, Stephen Woodard, Eddy Patterson, Tom Aycock, Carl Wharton. ABSENT: Carlton Overby, Bob Kuebler, Craig Price, Thomas Penny.

Giving a definite height advantage to each opponent, the mighty midgets of S.H.S. employed a sizzling fast break to again come through with a winning season.

The hoopsters were led by Steve Stephenson (16 points per game), David Reid (15.2 points per game), Carlton Overby (11.9 points per game), and David Whitehurst (9.8 points per game). Alex Wilson rounded out the starting five.

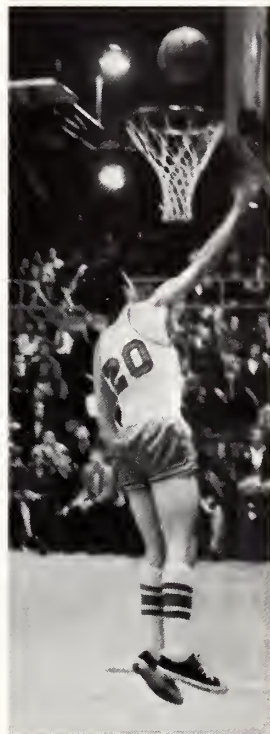

The final game of the season had the Devils pitted against undefeated Wake Forest. Our boys were determined to knock the conference leaders off their pedestal. With Thomas Penny and David Whitehurst leaping for rebounds and blocking shots, David Reid grabbing loose balls, and Steve Stephenson's dribbling wizardry and 20-foot jump shots, the Devils led throughout most of the game only to lose by the slim margin of 78-77.

Mr. Bobby Pope was the head mentor of the basketballers this past campaign. Through his diligent efforts, Pope won the admiration of the students and faculty, as well as the players.

Varsity Girls

FIRST ROW: Gail Johnson, Susan Jones, Glenda Sullivan, Janet Rains, Lou Powell, Edith Whitley. SECOND ROW: Laura Isley, Jane Brown, Kathy Batten, Rebecca Talton, Jane McGee. THIRD ROW: Coach Virgil Payne, Cathy Lewis, Janet Shallcross, Diane Barbour, Jenny Watson (manager).

Through teamwork our girls have kept the SHS winning tradition alive. The Red Devils have played much better than their 12-8 record for the season indicates. Five of the eight losses were by a total margin of twelve points.

Gaining experience and skill as the season progressed, our girls should have a bright and outstanding future in athletics.

The final outcome of the season can be attributed to the energy, enthusiasm, and determination of Coach H. Virgil Payne, and the girls to produce a winning team.

9 The '66 edition of Smithfield baseball kept the Devil win-
 6 ning tradition alive by pitching, slugging, and hustling its
 6 way to another outstanding year on the diamond. Smithfield
 won the Southern Division Championship with a 7-1 confer-
 ence record before falling to Garner in the Capital Area Con-
 ference play-offs.

Track 1966

The track team of 1966, although it featured two outstanding performers, Billy Barnes and Carroll Stephenson, lacked the depth necessary for an outstanding team. We were adequate in most events, however inexperience hindered hopes for a winning year.

Many of the boys showed promise, and the 1967 team should be improved.

Custodians

A brief pause amongst the work.

There are others besides the faculty of teachers who are important to us in Smithfield High School. They are the custodians, Ruth Bunch, Gladys Graham, Joe Lassiter, and James Terrell. Without them we would not have such things as heat in the wintertime and clean halls. These four are a vital part of the life at S.H.S., and to them we are deeply grateful.

What do you know, Joe?
